Bike Kaiteriteri

Our new grade 5 trail "Bad Jelly" is now fully open! It's an awesome addition to the park for advanced riders, which has trails for riders of all abilities to enjoy, and includes our amazing new pump track.

As we enter the quieter season, it's also fine to ride bikes safely through the campground starting from Monday 12th Feb :-)

Walk the Reserve

More and more people have been enjoying walks through the 250 hectares of Kaiteriteri Reserve during the summer. Our team continues to open new walking trails, which provide safe environments for everyone. The latest walkers only trail runs from Monster Hub to Shady Hub, separating riders and walkers on fast downhill sections on the Coppins trail...[Read more](#)
