

We're getting ready for summer! Are you?

Welcome to our latest newsletter!

We've been busy enhancing our beautiful Reserve, making improvements to ensure an unforgettable experience for our visitors. Here's a look at what's been happening:

Ensuite Cabin Bathroom Makeover

Our Ensuite Cabins received a stunning bathroom upgrade! Take a peek at the before & after photos to see how we've transformed them!

OLD

VS

NEW

Repainted & Refreshed: Blocks 3 & 5

Our toilet and shower blocks got a fresh coat of paint! Spot the new look next time you visit, and enjoy the renewed spaces.

New Entry & Exit Gates

We're thrilled to introduce number plate recognition at our gates! You can now enjoy your piece of paradise all to yourselves! This advanced system ensures that only registered vehicles enter and exit, providing an added layer of security for guests and limiting the number of vehicles within the camp.

Estuary Walking & Biking Track Extended

We've expanded the estuary track all the way to the beach! Now you can enjoy even more scenic walking and biking trails through the Reserve.

Boat Ramp Drain Fix

We're always working to keep the reserve in top shape. Our recent boat ramp drain fix ensures smoother operations for boat owners and beachgoers.

Northern Toilet Block Mural

Our mural project is underway, bringing vibrant new art to the northern toilet block thanks to a local artist! Keep an eye out as it comes to life over these next few weeks.

We hope to see you enjoying these new improvements soon.
Thanks for being part of the Kaiteriteri community!
