Don't Miss Out on the Fun

The excitement is building and tickets are selling fast. Here's a tip for young families....to avoid the long swim from the beach, book at low tide and simply walk most of the way to the waterpark.

Campground Update

Our team are doing a great job preparing the campground for summer, including removing those painful prickles from the grass, levelling sites and regular mowing and weeding.

The campground takes a beating over summer, so we would ask those joining us to consider what they bring to Kaiteriteri to reduce the impact on the ground and the environment. Light footprint camping.
